**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Local internet service was very slow via cable, and although I'd been a customer for over 20 years, the cost was becoming prohibitive.

I found a solution with Sonic, offering fiber optics at a reasonable cost. I'm very happy with their service so far and would not like to go back to cable.

Please keep this type of competition available to me and others in the future. Since I work from home, this choice is vital to my livelihood.

Thank you.
